The Framework of Rebuilding Trust

1 Strong marriages build trust daily through faithfulness, transparency, and Christ-centered commitment. Colossians 3:14

2 Even strong marriages face small trust breaks because people aren't perfect. Romans 3:23

3 Trust isn't fixed fast, it's rebuilt slowly through repentance, honesty, forgiveness, and dependence on God. Acts 3:19

4 After betrayal, stabilize the crisis, anchor in God, and start honest conversations that lead to healing. James 5:16

5 A marriage can survive betrayal when both choose truth, repentance, forgiveness, and Christ-centered rebuilding. 2 Corinthians 5:18
